

How to access the Contacts List

Login into the platform.

On the main menu, click on [my account](#) then [Contacts List](#).

The contacts of InfoPi's support team appear on the Contacts List by default.

A screenshot of the 'Contacts List' page. It features a search bar at the top, followed by icons for a folder, a person, a group, and a plus sign. To the right is a 'Select' dropdown and a settings gear icon. Below these is a table with five columns: Name, Mobile, Email, Group code, and Tags. The table contains three rows of contact information. At the bottom right, there is a pagination control showing '<< 1 >>'.

Name	Mobile	Email	Group code	Tags
