

# How to access the Contacts List

Login into the platform.

On the main menu, click on [my account](#) then [Contacts List](#).

The contacts of InfoPi's support team appear on the Contacts List by default.

A screenshot of the 'Contacts List' interface. It features a search bar at the top, a toolbar with icons for adding and deleting contacts, and a table of contacts. The table has columns for Name, Mobile, Email, Group code, and Tags. There are three contacts listed: Justo Obwaa, Martha Mwaura, and Samuel Ngoda. A 'Select' dropdown and a settings gear icon are visible in the top right corner of the table area. At the bottom right, there is a pagination control showing '<<1>>'.
