

How to Update your Password

Access the profile management page.

Type your preferred password on the space provided and retype it in the field that follows.

The screenshot shows a 'Preferences' section with a sub-section for 'Login information'. It contains three input fields: 'Username' (with a blacked-out value), 'Password' (with the text 'password' in red), and 'Re-type password' (with the text 'confirm password' in red).

Preferences	
Login information	
Username	<input type="text" value="[REDACTED]"/>
Password	<input type="text" value="password"/>
Re-type password	<input type="text" value="confirm password"/>

Scroll down and click [save](#) to save the changes.
