How do I check or query my bill?

You can check your monthly pending bill at <https://juabill.com/checkbill>

Step 1: Your account number is your House Number but with prefix NHE-. For instance, if your house number is T02, your account number will be NHE-T02.

Step 2: Input a working email address where the bill shall be sent to.

Step 3: Check your Inbox for mail from Juabill.

I haven't received the email for my bill.

Confirm that you entered your Account Number and Email address information correctly.

If so, and your inbox is still empty, don't worry! Contact us and we'll avail your bill as soon as possible.

What is my account number?

Your account number is the prefix NHE- plus your house number i.e T02

i.e NHE-T02

The prefix NHE - Ngara Housing Estate is only for NHE Residents

What should I use as my account number?

Your account number is the prefix NHE- plus your house number i.e T02

i.e NHE-T02

The prefix NHE - Ngara Housing Estate is only for NHE Residents

I do not know my water bill account number

Juabill uses a prefix for your residence + your house number to provide every resident with an account number.

Such that, if Ngara Housing Estate, the prefix is NHE- plus the House number i.e NHE-T01

I have not received the SMS bill?

The SMS bill from JuaBill is always sent to House Owners.

You can, however, check your bill online. Navigate to juabill.com, click check bill. Key in your Account number and email then click submit.
